TO WHOM IT MAY CONCERN

It is with pleasure I give this reference for Hegney Property Group.

Over the last 15 years Hegney Property Group has provided professional valuation services directly and indirectly to Mortgage Force. Their business principles and procedures are highly regarded in the industry and they have always been in the forefront of valuation companies in Western Australia.

Gavin Hegney and Stewart Kestel the partners of Hegney Property Group are well known to me and their personal equations are considered undoubted. I have worked with Gavin on many industry issues and his knowledge and experience on property in Western Australia is unquestionable.

I have no hesitation in recommending their company in any tender process that they may undertake.

My best wishes go out to them for the future.

Yours sincerely
